Discover the world's second oldest National Park when you jump aboard your kayak and explore the bays, beaches and bushland of this unspoilt area. You will be immersed in the spectacular rugged beauty of the park and surrounded with nature. As you canoe along Kangaroo Creek you will see colourful birds and native animals and discover unique fauna and magnificent sheer cliffs. It's then time for the dare devils when you explore Wattamola Beach, a beautiful oasis where you can cliff jump into the sparkling water below.
