FUNCTION INFORMATION

February 2010

RESTAURANT

The Rowers Retreat Restaurant caters for all functions including birthdays, corporate functions, christenings and weddings with a variety of menus to match. We can seat up to 120 people, however we can cater for more people for a cocktail party.

The Club is fully licensed and is always open to the general public, hence the reason we do not charge for room hire. Depending on the number of people and type of menu determines the area allocated.

You can book a function in person or via phone only, tentative bookings are held for one week only, this may be less in busy times. To secure a function, you must read and agree to these **terms and conditions** and pay a **\$200 deposit**, this amount may increase depending on the size of your function. The deposit amount will then be deducted from the total cost of function. The deposit will only be refunded 14 to 30 days prior to the event, depending on circumstances. Once your function is secured, we can then arrange a time to meet (outside restaurant hours) and discuss function specifications, a form is filled out so there are no discrepancies with communication. We require confirmation of numbers one week prior to the event; this is the number of people you will be charged for. The full payment of your function must be made at the beginning of the event. The Rowers Retreat Restaurant accepts Cash, Cheque, EFTPOS and all credit cards. Payments made by American Express or Diners will incur a 3% surcharge.

Restaurant hours are 12-4pm for lunch and 6-10pm for dinner.

When your function is secured, you must notify Club Management on 9797 9523.
